

Arts Project

The project

Tur Cos Ta Posibel will host volunteers in local community arts activities. Here are two examples of local community organisations you could be involved with.

Arte Sano provides vocational training in the creative industries empowering vulnerable people of Aruba: addicts, youth in prison, woman in prison. Volunteer tasks includes teaching their artistic skills to Arte Sano's target, with one theme: Aruba.

ArtisA: Volunteers will have the opportunity to support Artisa in organizing workshops, events, projects while helping to run the gallery and run the social media of all the platforms of Artisa. They count on you to bring fresh ideas and together keep developing Aruba into a more Creative Island!

Volunteers will be involved in all activities of both or one of these organisations.

Accommodation and meals

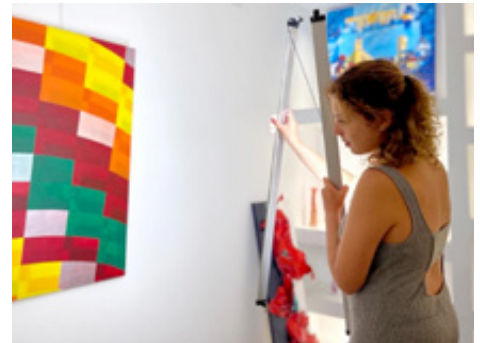

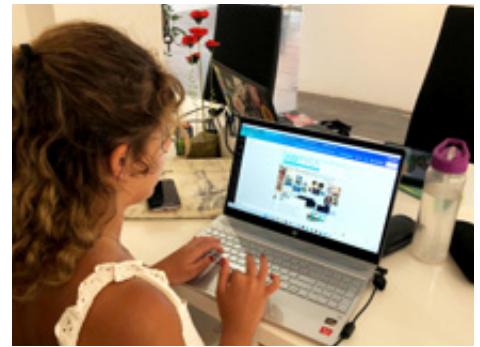

Volunteers will live in a shared house with other international participants. Rooms will be shared for volunteer groups and long-term ESC volunteers will either have an individual room or a room shared with one other participant.

Volunteers will receive a weekly food allowance as well as a general kitty to be able to buy

food and household necessities either individually or as a group.

The accommodation is well located, 5 minutes walk from a local beach and with all the appliances and equipment needed for self catering and learning to cook the local food.
