

Music project at KIA

The project

Tur Cos Ta Posibel is deeply active in KIA, the prison of Aruba, through ESC volunteering projects, both long- and short-term.

This call refers to a long-term individual project (5.5 months) focused on music in KIA.

Since June 2023, we have been delivering music workshops in all departments of the prison, including music theory lessons, instrument learning, and music production.

The volunteer doesn't need to be an expert in all these areas but should be able to share and live their passion for music with the inmates of our local prison and be ready to engage in this inclusive environment.

Accommodation and meals

Volunteers will live in a shared house with other international participants. Rooms will be shared two volunteers per room. You are responsible for the accommodation which will be checked on a monthly basis.

Volunteers will receive pocket money and a food allowance paid into their bank account monthly. Monday to Friday volunteers will receive lunch in KIA.

The accommodation is well located, 5 minutes walk from a local beach and with all the appliances and equipment needed for self catering and learning to cook the local food.

There is a car and bikes which can be used by Tur Cos Ta Posibel volunteers.

For the project, volunteers need to be ...

- Empathy for detainees
- 23 years +
- Music Production
- Music Instruments (ex. guitar, piano, ukulele, cuatro,...)
- Music Theory
- Adaptability
